The House of Customized Products

ABOUT US

World over, customized Corporate Apparel is the number one growth strategy.

Customized corporate apparel can help build your corporate identity, as well as boost employee morale and help imbibe a sense of belonging amongst them. Think of your corporate apparel purchase as an investment, not an expense. A polished professional image, after all, just might translate into more satisfied, loyal customers and in the long run, bigger and better sales! Build your corporate identity with customized corporate apparel!

The most common use of customized apparel in the world is as uniforms but it is also widely used for advertising, promotions, branded in store merchandise, free giveaway at Trade Shows & Marketing Events, Merchandise for sporting events, social events & movies and as gifts to clients, employees and other stake holders.

For more than 10 years, Pikmee has been one of the top- ranked choices to promote the names and logos of the country's leading corporations, resorts, golf courses, schools and colleges. With more than 3000 satisfied customers and one of the best infrastructures in the country, we are the premier supplier to fulfil your orders quickly and successfully.

Our mission is to deliver a comprehensive apparel solution to our customers by providing the complete source for their apparel needs.
